

Tiffany Giordano, P.E., PTOE

Background

Tiffany Giordano is from Southern California where she received her Bachelor of Science in Civil Engineering from the University of California at Irvine in 2013 (Go Anteaters!). In 2016, she moved to Nashville with the rest of the state. When Tiffany is not working, she enjoys spending time with her fiancé Ryan, who she will marry in Jamaica in April 2024. She also enjoys cheering for the Los Angeles Dodgers, caring for her two dachshunds and cat, as well as fostering as many animals as her fiancé will tolerate.

Work Experience

Upon graduating from college, Tiffany started working in Irvine, California at RK Engineering primarily working on traffic studies and traffic signal design. When she moved in Nashville, she started working at RagnSmith and has expanded her work experience to include traffic studies, traffic signal design, sight distance analysis, roadway widening and improvements, and stormwater design for both private and public clients.

In 2018, Tiffany attained her Tennessee Professional Engineer's license and in 2022 she became a certified Professional Traffic Operations Engineer (PTOE).
