Traffic Engineer

SALARY RANGE: \$54,009 - \$75,977 full-time with excellent benefits

OPENING DATE: 06/15/2017

CLOSING DATE: Open until position is filled

SUMMARY:

Reporting to the Public Works Director, this position will administer the City of Sevierville traffic engineering program, interact with public to resolve issues/complaints, and be responsible for all activities of traffic engineering, signal maintenance, signal construction, sign and pavement marking and parking facilities. Position informs the public and other City departments of traffic engineering matters; develops, justifies and administers the Traffic Control division operating and capital improvement project budgets; performs investigations for and serves as expert witness for the City in relevant traffic engineering legal matters; manages complex transportation and traffic engineering projects, such as a proposed traffic responsive/adaptive control signal system funded by the CMAQ program; independently evaluates, selects and applies standard techniques in preparing traffic engineering reports, such as signal warrant studies or other road safety type reports; and reviews site development plans and driveway connections.

MINIMUM QUALIFICATIONS:

Bachelor's degree in civil engineering, traffic and/or transportation engineering, or equivalent from a college or university accredited by the Accrediting Board for Engineering and Technology (ABET). Must have a valid TN Driver's License; Possession of an active Professional Engineer License issued by the TN State Board of Architects and Engineering Examiners is preferred, but may consider candidates that are on the career path for such licensure. Two to four years of related experience preferred, but an advanced degree may be taken into consideration for experience. Supervisory experience is also preferred.
