

TRAFFIC OPERATIONS MANAGER

The City of Maryville is accepting applications for a full-time Traffic Operations Manager. This is skilled technical work managing the operations of the traffic control infrastructures for the cities of Maryville and Alcoa, directing maintenance and repairs, and analyzing and maintaining traffic related data. A complete job description and required application is on our website www.maryvillegov.com.

Requirements: Bachelor's degree with coursework in civil engineering, or related field and considerable experience in traffic engineering, traffic operations, including some supervisory experience, or equivalent combination of education and experience. International Municipal Signal Association Level I certification must be obtained within one year of hire.

Hiring range: \$50,855- \$60,451 DOE. The City of Maryville offers an excellent employee benefit package. Nepotism policy prohibits hiring relatives of City employees. Applications are available on our website and in the City of Maryville Human Resources Department, 400 W. Broadway Ave. Deadline to apply is November 17, 2017.
